

It all started with a Mouse, Mickey Mouse. And with Adventures by Disney, you can experience him like you never have before through the Adventures by Disney [Disneyland Resort and Southern California](#) itinerary or the [Disneyland Resort and Southern California Escape](#). Both tour options give you the chance to explore the rich history of Mickey with a tour of Walt Disney Studios and The Walt Disney Archives in Burbank. You'll also have an opportunity to see how that history came to life with a separate day of fun at Disneyland Resort. For more information visit [Adventures by Disney](#).
